

## Diversity, Equity & Inclusion Statement

### TriMas DE&I Statement

At TriMas, we are committed to achieving an environment of Diversity, Equity & Inclusion globally, throughout all levels of our organization. We believe we are at our best when we bring together unique perspectives, experiences and ideas, and actively build diverse teams and inclusive work environments across our global locations. Tapping into our employees' diverse backgrounds and experiences ensures we make better decisions and supports stronger performance.

We believe that Diversity, Equity & Inclusion is an ongoing journey and we are committed to continuously improving our culture. We are focused on supporting and celebrating all types of diversity. Embracing an environment of inclusion – *one of involvement, respect and support* – will help ensure we leverage our best ideas and the contributions of all employees. We build our best teams by seeking out a wide range of unique backgrounds, perspectives, talents and experiences. This allows us to attract talent that is as diverse as the markets and customers we serve.

We foster working environments that are fair and safe, where an individual's rights are respected, and everyone can achieve their full potential. We are committed to maintaining workplaces that are free from discrimination or harassment on the basis of race, ethnicity, color, national origin, religion, age, gender, gender identity and expression, genetic information, sexual orientation, protected veteran status, disability or any other characteristic protected by applicable laws in the locations where we live and work.

For TriMas, equity means fair treatment and fair access to opportunities, information and resources for all, so that everyone can thrive at our Company. We want to build a truly inclusive business, one that lifts barriers and helps excluded and underserved populations access their fair share of opportunity. That means looking at our own workplaces, our supply chains and the impact we have through our actions – and making sure they all contribute to a fairer world.
